Mr. Walther asked the board if there was discussion to a possible motion of recommendation to Arkansas Legislative Council. Commissioner Munson made a motion to recommend the following initiatives to Arkansas Legislative Council pursuant to Act 1004 of 2021, regarding Arkansas State Employee health insurance:

1. 5% Contribution Increase for Actives, Pre-65 Retirees, and Post-65 Retirees (5.4M)
2. State Funding Increase from \$450.00 per month, per member to \$500.00, starting August 1, 2021.
3. Reduction in Wellness Credit from \$50.00 to \$25.00 (\$5.2M)

7. Any ASE Plan Recommendations not approved by ALC would require a one-time funding transfer from the Restricted Reserve fund equal to the plan initiative's probable savings.
8. Defer Medicare Part D and Coordination of Benefits for Post-65 Retirees.

Commented [RC1]: changed this from Restrictive to Restricted

The motion was seconded by Mr. Konecny. Vote was 6-3 for; motion passed.

Commissioner Marshall made a motion that the board submit these recommendations to Arkansas Legislative Council immediately, rather than wait for a decision on the Public School Employee insurance plan. The motion was seconded by Commissioner Munson. Vote was 6-3 for: motion passed.

Chairman Walther then asked Secretary Fecher if Employee Benefits Division was prepared to present information regarding public school employee health insurance. Secretary Fecher recognized Mr. Paul Sakhrani to briefly go over that plan. Chairman Walther then suggested that the board review the public school employee health plan and be prepared for further discussion at the next meeting on June 8, 2021. Seeing no additional business, Chairman Walther asked for a motion to adjourn and reconvene on Tuesday, June 8, 2021 at 9:30. Mr. Konecny made the motion for adjournment and Commissioner Munson seconded. All members were in favor.
